Dear Ms. Kiser and Mr. Sukys:

With this letter, I am forwarding the following amendments, which make technical adjustments to the following Metropolitan Planning Organization's (MPO) 2002/03 to 2004/05 Federal Transportation Improvement Program (FTIP). These amendments do not adversely affect air quality, timely implementation of Transportation Control Measures (TCMs), or financial constraint and does not result in major scope changes.

Administrative Amendment MPONo.

2,3

Butte County Association of Governments (BCAG)

Since administrative amendments do not require Federal Highway Administration and/or Federal Transit Administration approval, these FTIP amendments have been amended into California's 2002/03-2004/05 Federal Statewide Transportation Improvement Program (FSTIP). These projects are included and submitted by BCAG through the California Transportation Improvement Program System (CTIPS).
